Since that time, we have grown to more than 200 students and have continued with our performing company in residence—White Marsh Ballet Academy Dance Company. WMBA offers dance education in ballet, pointe, modern, jazz, tap and hip hop. WMBA is owned by professional dancers and includes a staff that promotes enthusiasm and care for students first. Individual attention with an emphasis on dance technique allows instructors to bring out the best in each student, promoting self-confidence and enjoyment. The mission statement of WMBA is to instill the passion of dance as an art form within each student. The goal of the teachers is to inform and inspire, creating thinking dancers preparing them for careers in the field of dance as well as life. WMBA is a family oriented school focused on communication, respect and self-motivation.
